

ANNUAL ENROLLMENT 2014 PLAN SELECTION CHECKLIST

HOW DO I CHOOSE?

The answers to the following questions can help you decide which OGB health plan is right for you:

1. Is the plan available in my area?
2. Are my hospitals and doctors included in the plan?
3. Does the plan have out-of-state coverage if I need it?
4. Does the plan have an open or closed (restricted) drug formulary?
5. If the formulary is closed, are my drugs on the list of covered drugs?
6. What is the monthly premium cost?
7. How do the plan's costs and benefits compare to my current plan?
